GENERATION 4

L'AIGLE ODYSSEE

THE EAGLE

L'AIGLE (THE EAGLE) introduces its fourth generation of complete stabilizing systems for 0,5 to 15 kg cameras. We wanted our stabilizers to be aesthetically and technically irreproachable, while maintaining the best possible prices. So we provided the AIGLE ODYSSEE with everything you can expect from a light camera handheld stabilizer. Here are its 22 main features and qualities, which are for you 22 reasons to choose the AIGLE ODYSSEE, rather than any other product on the market:

WORLDWIDE UNIQUE
LTX
ARM SUSPENSION

BREVET DÉPOSÉ
2008
LTX
2008
PATENT PENDING

Your needs change ? You need to shoot with your AIGLE ODYSSEE the whole day long ? Let us carry the load for you ! The ODYSSEE can be updated into the MDV or HDV complete systems, with shock-absorbing arm and bodymounted harness. Our new arms innovate with the brand new patented LTX® technology based on hyperelastic latex straps, replacing metal springs. They are lightweight, ultra smooth, silent and reliable (10 years warranty).

garantie **10** years warranty
